

APA - Head Office Update - COVID 19

We take your safety and well-being very seriously.

At this time, we are continuing our Business Operations as usual.

ALL APA branches will remain open to be of service via phone, fax and e-mail as well as e-Commerce and will continue shipments to customers as requested.

We are currently not anticipating any interruptions to outbound shipments.

« Important »

As a preventative measure for our customers and staff alike, APA will be temporarily suspending counter pick-up and counter interaction until further notice and recommend customer pick-up through our branch 24 Hour locker service. For our Edmonton and Halifax branches special measures will be taken to minimize personal interaction.

APA is closely monitoring the Coronavirus/COVID-19 developments both locally and nationally for course of action recommendations.

Do not hesitate to call your sales representative if you have any question about these new procedures.
