

Montreal January 7th, 2021

To our valued customers:

On behalf of APA, and our employees, I hope this communication finds you and your families safe and healthy.

Throughout this crisis, we will remain open to serving you as we go through this unprecedented time; we have taken steps to protect our employees and you, our customers. The closure of our showroom is extended until February 8, 2021, following the Quebec government announcements. We will be strictly reachable by phone or email. As for the shipment of goods, it will remain as usual, and for the pickup, it will be done by the 24h pickup service. Note, however, that between January 11, 2021 and February 8, 2021 the government of Quebec imposed a curfew between 8PM and 5AM.

As business owners and leaders, we are all dealing with the crisis in the best way we can. Our company and our employees depend on our customers. We hope you depend on APA to support you. We will be there for you through the next weeks and months.

We stand in solidarity with everyone and hope that you are all staying safe and healthy.

Best Regards,

Noémie Assouline
General Manager
